[www.gaudisite.nl](http://www.gaudisite.nl)

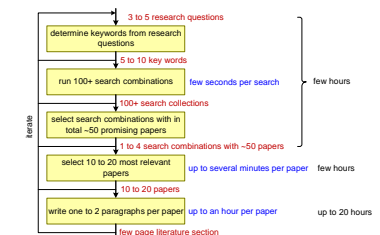

## Abstract

This presentation shows how to search and to select the relevant papers from the search hits.

### Distribution

This article or presentation is written as part of the Gaudí project. The Gaudí project philosophy is to improve by obtaining frequent feedback. Frequent feedback is pursued by an open creation process. This document is published as intermediate or nearly mature version to get feedback. Further distribution is allowed as long as the document remains complete and unchanged.

## Colophon

Kristin Falk's lecturing of literature review in the course Research Methods inspired the capturing of the literature search funnel

# Search Funnel

# Selection Process to Find the Relevant Papers
